ULTIMATE SEATING COMFORT

The Wide Ride+Serta® represents the ultimate in seating comfort. Our widest seat cushion accommodates drivers of all shapes and sizes and is equipped with a feature that has never been seen before in truck seating. Bostrom has partnered with Serta® to incorporate Cool Action™ Gel Memory Foam into the seat cushion. This technology improves weight distribution and regulates temperature on the seating surface for a more comfortable driving experience. Many other adjustment features are available as standard along with the BackCycler™ to reduce driver fatigue over long journeys.

A	B	C	D	E	F	G	-XXX
Seat	Suspension	Back	Check Digit	Swivel	Options	Arms	Trim
5- Wide Ride	0- None/Upper 1- LoPro 3- HiPro	0- Hi 1- Mid	0- +Serta	0- None 1- Driver 2- Passenger	0-None 1-Heat 2-Heat+Vent*	0- None 1 - L&R Arms	See Chart Above

Use the chart above to build the part number for the seat you desire. Part numbers have a base (7 digits) with a dash and then a trim code (3 digits). The table above shows the options available for the base part number. Once that is determined, use the trim chart above and to the right to determine the trim desired and complete the part number. Matching replacement interchangeable left/right armrest 1234480-xxx, replace xxx with trim code.

EXAMPLE: 5300111-N02 is a Wide Ride+Serta with standard suspension, hi-back, driver swivel, heater, and both arms in red-tan two-tone Ultraleather™.

*Hi-Back only
