FRED Refresh Kit
for Bostrom T Series, Baja, LSO, & Wide Ride

Does This Look Familiar?

It doesn't have to.
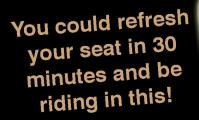

Why ride another day in such discomfort?

You could refresh your seat in 30 minutes and be riding in this!

FRESHEN YOUR RIDE. EXPERIENCE THE DIFFERENCE. (FRED)

- Easy 30 minute installation with step by step instructions so you can get back to comfort fast

- Not only refresh, but enhance your ride with our new ergonomic Pro Ride cushion & back poly giving you better than before comfort

- Keep your existing suspension, saving you time, effort, and money

- Fits any Bostrom T Series, Baja, LSO, or Wide Ride series seat, so you don't have to wonder about matching different kits to your seat

- We built your seat, so you can be confident that our kit fits and works with it

Description	Hi Back
FRED Refresh Kit, Pro Ride Hi Back	6222400

Armrests are not included in FRED Refresh Kits. If your seat had traditional 14" armrests or if you want to add armrests you will need to purchase new ones. The traditional arms will not fit on the seat once the FRED kit is installed. To purchase long 16" Pro Ride style arms, use base PN 1234480-XXX and complete with trim to match FRED kit trim.

Material & Color	Titan Cloth
Black	K85
Grey	K86
Blue	L76
Brown	K66
Tan	K87
Red	L75

Add "–XXX" to end of each of the seat or armrest part numbers shown, replacing XXX with the material - color code shown in chart above.

Extend Your Seat Life

Has your current seat cushion been ridden well beyond its expected life? Have you patched and taped the seat until it just won't patch any more? Do you want to improve your comfort without replacing the whole seat? FRED is your solution!

Our FRED refresh kit is a fast way to return your seat to like new condition, helping to reduce discomfort and fatigue from sitting on holes and misshapen surfaces.

Freshen your Ride!
Experience the Difference!
